

Warranty

This document describes the warranty provided by Inspired Electronics, Inc.

Inspired Electronics, Inc. offers a 100% satisfaction guarantee with our products and services. We want you, our clients, to be delighted with your home electronics systems, and will do what it takes to ensure your systems are performing at their peak, and that you can be proud to show off your system!

1. **Warranty on equipment.** Inspired Electronics, Inc. will support the manufacturer's warranty on all products we sell. This means that for any equipment we sell to you, we will work directly with the manufacturer to repair or replace the equipment. For non-removable equipment, we will work with the manufacturer to cover the costs, but in some cases we may not be able to cover all labor and property repair costs.
2. **Warranty on installation.** In addition to any manufacturer's warranty on the materials and equipment purchased from Inspired Electronics, Inc., we also provide a 90 day warranty on our Installation Service. This means that if our installation is defective, we will rectify the work, at no charge to you. All service calls (including warranty calls) beyond the 90 day installation warranty will be charged at our standard rates.
3. **Out-of-warranty work.** We will gladly work with you to resolve any issues on out-of-warranty equipment or installation services, or on any issues not covered by warranty, and our standard labor rates will apply.
4. **Warranty on equipment or installation not provided by us.** We do not offer warranty on any equipment or work we did not provide. We will, however, provide troubleshooting and repair work at our standard labor rates. If you wish us to handle warranty repairs on equipment we did not sell, we will happily work with the manufacturer on your behalf, and our standard labor rates will apply. We will bill you for any charges (such as shipping, repair, etc.) that we may incur.
5. **Normal Use Limitation.** This warranty applies to products and installations that are subject to normal use, and have not been modified in any manner. This warranty does not include service or parts to repair damage caused by accident, disaster, misuse, abuse, negligence, power fluctuations (except as covered by power conditioners, surge suppressors, or other power management systems), or service, repair, or modification of the products and installations which have not been authorized or approved by Inspired Electronics, Inc.
6. **INSPIRED ELECTRONICS, INC. SHALL NOT UNDER ANY CIRCUMSTANCES BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING FROM LOSS OF PROPERTY OR OTHER DAMAGE OR LOSSES OWING TO THE FAILURE OF ANY PRODUCTS WE SELL OR INSTALL BEYOND THE COST OF REPAIR OR REPLACEMENT OF ANY DEFECTIVE PRODUCT, AND REMEDY OF ANY DEFECTIVE INSTALLATION. INSPIRED ELECTRONICS, INC.'S LIABILITY FOR MONETARY DAMAGES SHALL IN NO EVENT EXCEED THE PURCHASE PRICE PAID FOR THE PRODUCT OR INSTALLATION BY THE CLIENT. INSPIRED ELECTRONICS, INC. MAKES NO OTHER WARRANTY WRITTEN OR OTHERWISE BEYOND THE WARRANTY EXPRESSLY SPECIFIED IN THIS DOCUMENT.**
